

Experience Freelance Education

JUL 2015 > NOV 2019

Graphic Designer
Blue 449 Global

London

- Responsible for daily production of Graphic design content across all agency departments.
- Logo development and branding for specialist client services.
- Production of video assets, motion graphics and case study videos.
- Design lead on a variety of global pitches and client conferences.
- Powerpoint Presentation design for local and network markets.
- Creation of printed material including books, leaflets, wall vinyls and pull up banners.
- Selected to design all output for the Pubicis Fusion stage at CES 2019 in Las Vegas. Led a team of designers in the UK and America to produce the website, mobile app, banners, presentations, and other marketing collateral.

Interests

- Passionate about travel and photography which has led to extended trips through S.E.Asia, Australia, New Zealand, America and much of Europe.
- Spent 3 years working with severely autistic young people and am also keen to apply my professional skillset to support charitable organisations in the future.
- Keen musician, occasional DJ and vinyl enthusiast.
